

## **COVID 19: Management at Reece Orchards & Apple House (the Farm)**

*By visiting B.J. Reece Orchards, you voluntarily assume all risks related to exposure to Covid 19.*

Here at the Farm we take the precautions we feel are necessary to deal with the Coronavirus pandemic. The safety of our employees & visitors is our number one priority.

All employees who work inside will be wearing masks daily to ensure the safety of all.

All cash register areas, both inside & outside, have plexiglass in place to help maintain social distancing at all times.

You must maintain your distance at all times even when outside. We feel certain that this can be easily accomplished with over 100 acres in our U-pick farm on which to roam. There are hand washing stations in the Orchards & hand sanitizer is always available. We encourage your regular use.

We have not placed a limit on the number of people allowed on our premises. Our policy will change if we decide it is necessary or there are new or revised mandates from the State of Georgia.

We will keep you updated via Facebook and this website for changes regarding our Covid 19 policy. We ask that you understand and follow our protocols during these unprecedented times.

### **A few important reminders for our Visitors:**

- We only take Credit Cards at the U-pick gates to help speed up the process of entering the U-pick Orchards (no cash will be accepted at the outside activities).
- We will accept cash inside the building.
- Everyone must wear a mask inside the market.
- Masks are not required outside, but please keep 6 feet of distance from all other visitors except those who are in your immediate party.
- Everyone will access our Farm through one entrance, and likewise all visitors will depart via an exit in a different location.
- Our Zip-line is the only activity that is currently closed due to not being able to maintain social distancing.
- Please be patient with us as we try to safely accommodate everyone on the Wagon Rides during the weekends.
- There may be a limit to the number of people on all activities & inside the market depending on the State of Georgia government mandate at the time of your visit.

These regulations may change or adjusted, so be sure to be on the lookout for further updates & information before your visit to B.J. Reece Orchards!
