**\$40**

- 1) Beginning August 27th and continuing through October 30 we are open for U-pick on Monday-Saturday 9-6 and Sunday 1-6. We sell the last tickets to go into the orchard at 5 pm each day! This is for your benefit to make sure you have enough time to pick your apples to get your bags full and be out by our closing time of 6pm.
- 2) Please check our U-pick calendar and click the day you are interested in visiting to see exactly what will be available. (Note: Apple variety availability can change the day of due to staffing or other unforeseen events) There will always be something available to pick but it can change the morning of!
- 3) Everyone pays admission ages 2 years old and above. \$8 Monday-Friday or the choice of \$13, \$18 or \$26 on Saturday & Sunday even if you only want to pick apples.
- 4) We accept cash, credit cards or apple pay. NOTE: There is a 3.5% surcharge on credit cards but not on debit cards.
- 5) We are open rain or shine for u-pick. There are no rain checks or refunds from B.J. Reece Orchards U-pick and Farm Fun. Just wear your cute rain boots and gear and come on out!
- 6) We can't allow you to fill up a partially filled bag from U-pick with apples from inside the market. No exceptions!
- 7) We do not pick the apples from any of our U-pick orchards for inside the market. We have 3 other orchards within a 5 mile radius that we pick to sell inside the market. That is why we sometimes have different apples inside the market that are not available in U-pick.
- 8) Our market and bakery stay open all year around with fresh apples from our other orchards.
- 9) There are no advanced reservations for U-pick. You just come during open hours.
